

Regional Competition Traveling Trophy

Congratulations on your competition WIN!!!

Your chorus is now the recipient of a traveling trophy that you will be in charge of for the year until the next regional competition, where it will be handed off to the next winning chorus.

Steps for what to do with the trophy once you receive it.

1. Show it off whenever you can and celebrate your win.
2. Unscrew the name plate under the last winning chorus name and send it in to be engraved.
 - a. **Option 1:** Send the name plate to Manitowoc Trophy (see info below) in an envelope with the correct information:
 - i. Chorus Name and Year
 - ii. A self-addressed stamped envelope so they can send it back quickly to the right person
 - iii. Send info on who they will send the bill to: the cost for Manitowoc Trophy to engrave the name plate is \$5.00.
 - b. **Option 2:** Take the name plate to an engraver of your choice and pay whatever price they charge. (See font and point information below)
3. Screw the name plate back into place.
4. Bring the trophy with you to the next Regional Competition and give it to someone in charge of competition.
